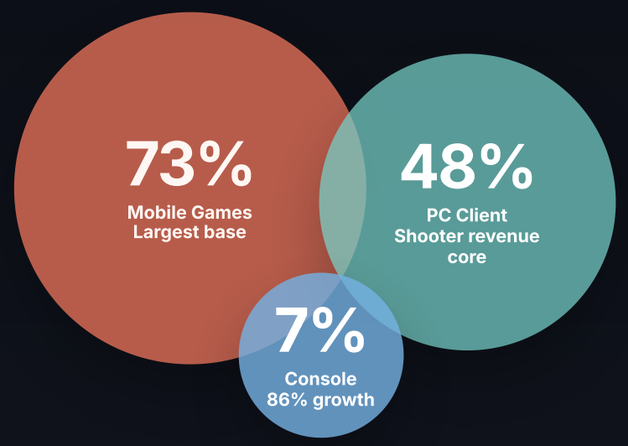
# Shooter Genre Platform Overlap

Source: GPC China Gaming Industry Report 2025 / Huayuan / blended estimate



Circle size ≈ platform market size | Overlap area ≈ share of cross-platform users / revenue

# Device mix is shifting: mobile still dominates, but PC and cross-platform play matter again.

MOBILE REVENUE
**RMB 257.076B**
73.29% of total market

PC CLIENT REVENUE
**RMB 78.16B**
+14.97% YoY

MOBILE
**73.3%**
Still the market core

PC CLIENT
**22.3%**
Higher value density

Fortnite fits this market shift better as a cross-platform ecosystem than as a single-device shooter product.
